ADVANTAGES

THIRD PARTY CROSS LIABILITY COVERAGE

This coverage guarantees damages caused by your vehicle to other vehicles owned by yourself or your direct family members. This coverage is included in the Extra Optional Liability Coverage.

(By law, the damages caused to vehicles belonging to direct family members are excluded from the Mandatory Third-Party Liability Coverage, and the market practice is not to offer this coverage).

THIRD PARTY LIABILITY COVERAGE FOR BICYCLES

This coverage guarantees the payment of damages to third parties whenever you ride a bicycle (without a motor or with a motor of up to 0.25 Kw) in a public road or street in Portugal. This coverage is included in the Extra Optional Third-Party Liability Coverage.

(The market practice is for the Third-Party Liability Coverage for bicycles to be sold in a separate insurance).

WINDOWPANE BREAKING

This coverage guarantees the payment of your vehicle's windowpanes, even if the breaking is not an isolated event and even if there is no subscription of other Own Damages insurances.

(The market practice is to only cover the windowpane costs in case the breaking is an isolated event)

REPLACEMENT COST GUARANTEE

This coverage guarantees the replacement cost of your vehicle (passenger car) for a period of 3 years and offers a reduction on the price of your insurance.

NETWORK OF PREFERENTIAL WORKSHOPS

Offer of courtesy vehicles, priority in the repair services, and washing and vacuuming of the vehicle, among other services.

... and all this at a very competitive price!
